

## 1) Before Testing: Scheduling

1. Use the following URL:  
<http://muschealth.org/covid-testing-cofc>
1. **Scan QR with mobile device or complete on desktop to schedule your appointment**

## COVID-19 Testing for College of Charleston

Through a collaboration with the College of Charleston, MUSC Health is offering specimen collection for COVID-19 testing to all students, faculty, and staff. To schedule your appointment, simply select one of the scheduling buttons above or point your phone camera at the QR Code below. You will then be able to choose a time that works for you. Specimens will be collected outside the Stern Student Center located at [71 George Street](#).

Note: If you do not already have an MUSC Health MyChart account, you will receive an email with activation information after you make your appointment. **A MyChart account is essential**, as you will use it to check in for your screening and it is how you will get your results.

After your screening, you will receive an email when your test results are available in MyChart. The results typically take from 1 to 3 days.

2. Choose your testing date and time.
